OUR CAREGIVERS

PoIAid HOME CARE provides highly qualified caregivers to meet all home care requirements.

- By program rule, each of our Caregivers must complete a pre-service training before they ever serve a client.
- We conduct thorough criminal background checks on all of our Caregivers before hiring.
- We require Caregivers to engage in continued education and training to stay in touch with their profession.
- We take great care in creating compatible matches between each client and Caregiver.
- Most of our Caregivers are bilingual.
- To further assure our clients’ satisfaction and quality service, in-home visits and client satisfaction reviews are conducted on a regular basis.
